

Department of Mathematics

To: All Full Time Faculty
From: Miklos Bona, Douglas Cenzer, and Alexander Dranishnikov
Subject: Steering Committee Ballot
Date: March 26, 2010

Please complete and return the attached ballot according to the instructions given on the ballot.

The four two-year vacancies on the Steering Committee will be filled by the Full Professor with the most votes, the Associate Professor with the most votes, the Lecturer with the most votes, and the remaining candidate with the most votes.

The Full Professors nominated are:

Scott McCullough

The Associate Professors nominated are:

David Groisser
Sergei Shabanov

The Assistant Professors nominated are:

Michael Jury

The Lecturers nominated are:

Jane Smith

The votes will be counted at 4:00 pm, Friday, April 16. The elected members will assume their responsibilities July 1, 2010.

Steering Committee Ballot

Instructions:

- a) Vote for at most four candidates (by placing a mark next to their name).
- b) Place your ballot in one envelope and seal the envelope. Place the sealed envelope in the second envelope, seal the envelope, and sign (legibly!) across the seal. Return the completed ballot to Margaret by 4:00 pm, Friday, April 16.

_____ David Groisser
_____ Michael Jury
